--------	---	---	--	---	---

This week in Early Years, we had a fantastic time creating dinosaur pictures using natural materials from outdoors. The children collected grass, flowers, and leaves, and used them to bring their dinosaur designs to life.

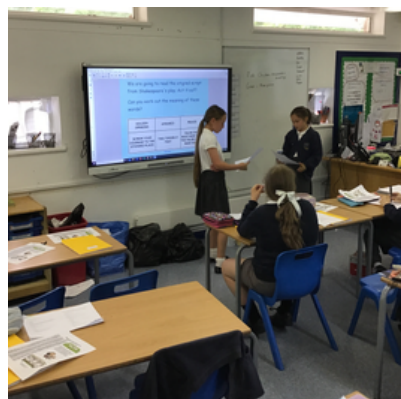

Year 1 have been learning about primary and secondary colours. They used their knowledge of colour mixing to print with Lego pieces.

In Year 3 this week the class enjoyed being architects in Egypt trying to figure out who was buried by only using what was found and their knowledge of Ancient Egypt.

In science, Year 5 have been looking at plant reproduction. They learned the parts of flowers before dissecting them.

This week in year 6 we have been practising our Shakespeare and acting out scenes from Macbeth
