Enjoy, Enrich, Achieve, Aspire

Dinner money fees will be increasing to £2.60 from September. We have had to make this difficult decision due to rising food costs. This cost brings us in line with the national average.

Dinner money needs to be paid in advance of having a school meal. If your family balance reaches £20, you will need to supply a packed lunch for your child as we will no longer provide a school meal until the balance is paid.

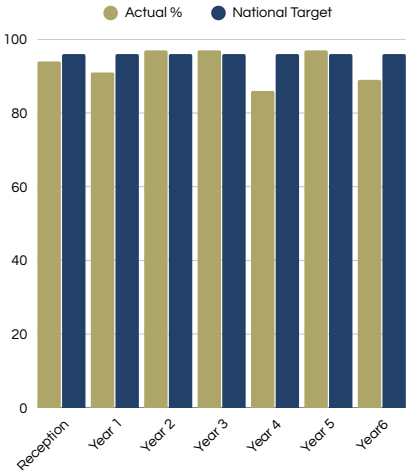

A huge thank you to Mrs Lucky, Mrs Hough, Mrs Stevens and team for the time and work they have put into creating our wonderful new peaceful garden.

Year 1 have been learning about Clarice Cliff who made her first piece of pottery at age 13. They applied their knowledge of primary and secondary colours and applied their painting skills when working in the style of an artist.

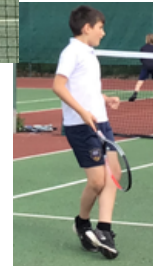

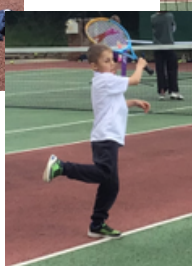

Year 3 enjoyed their History Workshop on Wednesday morning. They explored artefacts to discover who was buried in the pyramid and then played a trading game as a class.

This week in science Year 6 have been creating their own questionnaires about healthy living and asking their peers.

Some of our year 3 & 4 children took part in a mini tennis mega festival this week. They played really well and came 5th. We're very proud of them.
